Her gaping sex called to him as he licked his fingers clean. The smell, the moans, they spurred him on as he crawled between her legs. He managed to squirm a finger, a fist, then his arm into her entrance.

Her moans encouraged him and he pushed further, adding his other hand, then his shoulder into her body. Her sex stretched open and he felt a warm comfort spreading over his head, squeezing him as he crawled inside.

She tightened her legs around his waist and he felt himself drawn further. His cock ached as he curled up inside her.

# About the Author

t'Sade has been happily using third-person singular since the late eighties. Besides that strange quirk, they enjoy writing a brutal combination of sex and violence for decades. Most of their stories explore the fringe edges of sexuality in the epic quest of trying to write a story for every fetish and turn-on known to the human libido.

It's going to take a long time.

Their writing can be found on their website, [tsade.com](http://tsade.com). Most of it is free to read and enjoy.
